

A Smithsonian Touring Exhibit

# JOURNEY Stories

The American story is a story of journeys—  
stories of coming to America and  
traveling across America.

Explore how  
transportation  
and migration  
helped build  
our nation, how  
mobility has  
shaped us, and  
how America  
looked to  
travelers  
along the way.

Touring Nebraska  
June 2012-March 2013

Presented by the Nebraska Humanities Council  
[www.nebraskahumanities.org](http://www.nebraskahumanities.org)
